Sum 1																		
Sum 2																		
Know and locate the Arctic and Southern Ocean.	Know and locate the continents Europe and Africa.	Know and locate the Atlantic & Pacific Oceans. Know and locate the continents North and South America.																
	Name, locate and identify characters of the four countries and capital cities of the United Kingdom and its surrounding seas.	Know the UK is made up of 4 countries - England, Northern Ireland, Scotland and Wales. Know the capital cities of England, Northern Ireland, Scotland and Wales. Know the UK is surrounded by the Atlantic Ocean and the North and Irish Sea. Know the UK is part of the continent of Europe.																
Place Knowledge	Understand geographical similarities and difference through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country.	Know Crosby is a town in Liverpool, England.		Know and identify physical and human features of London.														
		Know that human geography is something built by humans and would not have existed in nature without humans.		Know Liverpool is a city in England.														
		Know that physical geography is the natural world.		Know and identify physical and human features of Liverpool.														

		Know and identify physical and human features in the local environment - school & Rimrose Valley.		Know and identify physical and human features of Chongqing in China
				Know and compare physical and human features of London and Chongqing.
Human & Physical Geography	Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the equator and the North and South Poles.	Know UK weather changes according to seasons and can describe these weather patterns.		Know where the equator is positioned on Earth and the weather patterns which are associated with the extreme heat. Know where the Arctic Circle is positioned on Earth and the weather patterns which are associated with the extreme cold.
		Know that Africa is a hot area of the world located on / close to the equator.		
		Know that the Antarctic and Arctic are North and South Poles and cold areas of the world.		
	Use basic geographical vocabulary to refer to: Key physical features including - Beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather.	Know and use correct vocabulary to describe a beach, coast, sea, river, soil, valley, vegetation as physical features on a map, photograph or field trip.		Know and use correct vocabulary to describe a cliff, forest, hill, mountain, ocean, physical features on a map or photographs.
	Use basic geographical vocabulary to refer to: Key human features including - city, town, village, factory, farm, house, office, port, harbour and shop.	Know and use correct vocabulary to describe a city, town, village, house and shop as human features on a map, photograph or field trip.		Know and use correct vocabulary to describe a city, town, village, factory, farm, office, port, harbour on a map, photograph or field trip.
Geographical skills and field work	Use world maps, atlases and globes to identify the United Kingdom and its countries as	Know how to identify the UK and its countries on a map.		Know and locate on a map the Indian & Pacific Oceans.

	well as the countries, continents and oceans studied at this key stage.	<i>Know and locate the Atlantic &amp; Indian Oceans.</i>		Know and locate on a map the continents Asia and Australia.
		<i>Know and locate the Arctic and Southern Ocean.</i>		Know and locate on a map the Atlantic & Pacific Oceans.
		<i>Know and locate on a map the continents Europe and Africa.</i>		<i>Know and locate on a map the continents North &amp; South America.</i>
		<i>Know and locate on a map the continents Antarctica (North &amp; South Poles).</i>		<b>Know Liverpool is a city in England.</b>
	Use simple compass directions (North, South, East and West) and locational and directional language (near, far,, left, right) to describe the location of features and routes on a map.	Know and use locational and direction language to describe the location of features and route on a map of the school. Know and use simple compass directions to describe the location of a feature in Rimrose Valley on a map.		Know and use locational and directional language to create a route around London.
			Use ariel photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map and use and construct basic symbols in a key.	Know and name landmarks and basic human and physical features on maps of London.
				Know and devise a map of Liverpool landmarks and construct basic symbols in a key
	Use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features	Know and recognise features of the school - human and physical on a simple map on field work trip.		Know and recognise features of Liverpool - human and physical on a simple map whilst on a field work trip such as the River Mersey,

	of its surrounding environment.	Know and recognise features of the surrounding area of the school such as Moorside Park, All Saints Church, School, Rimrose Valley.		beach/coast, Liver Buildings and Port of Liverpool.
