# Forefield News

Dear Parents/Carers,

The weather this week has certainly reminded us that we are in the Autumn term, with the wind, rain and change in temperature. Fortunately, this hasn't stopped our EYFS children experiencing their first Forest School sessions this week alongside KS1 children. Yr 2 have finished their story 'The Journey' this week whilst Yr1 found a mysterious alien in their outdoor area in preparation for their new text Beegu. Reception have been working on their fine motor skills this week cutting out shapes for flowers and learning how to join using a stapler, learning about the school and class Golden Rules. Nursery have also been learning about school and nursery rules as well as drawing and painting some beautiful self-portraits this week.

Along with this Newsletter I have sent our annual overview of key dates for this academic year. We will also send a hard copy for you to keep on the fridge or notice board. Apologies this is a little later than usual - I have been waiting for confirmation of some key dates. Whilst we endeavor to stick to these dates as much as possible, there may be reasons beyond our control that we need to change them. If we need to change dates, we will give you as much notice as possible.

Could I please request that at dismissing time, parents & carers stand back from the children so that teachers can clearly see and hand over children to the correct grown up. If your child is one of the first children dismissed, once you have collected your child, could I please request that you move towards the gates, which allows other parents to be clearly seen by the teachers for a safe handover.

Congratulations to Class 8 who are our attendance winners this week with 99%. What a fantastic start to the year. Remember, there is a proven link between good attendance and attainment. To get the most from school, your child has to be here as much as possible.

Thank you for all of your continued support.

Have a lovely weekend.

### Free School Meal - Pupil Premium

Just a reminder that although all children in the Infants are entitled to a free school meal, parents can still apply for 'free school meals' pupil premium. This is different to and should not be confused with, the daily free meal that all infant children are entitled to. Applying is really straightforward and Miss Edwards in the school office is more than happy to provide more information or a form to complete if you think that you might be eligible. A successful application means that school secures additional funding which is used to fund extra-curricular activities for your child, trips and visits, snack and Toast Club and additional support and resources. You can check eligibility by following the following link or please do contact Miss Edwards on 0151 924 6235. <https://forms.sefton.gov.uk/freeschoolmeals/>
