Dear Parents/Carers,

I can't quite believe it is the end of the half term already. This week has been as busy as ever with trips and transitions. Our Nursery children (Oak group) went off to visit Acorn Farm this week and had another wonderful day learning all about farm animals. Year 2 have ended a busy half term with a trip to Imagine That today, learning and exploring all things science.

It was lovely to see lots of familiar faces, as well as lots of new families at our Welcome to Nursery/Reception meetings this week. We are looking forward to welcoming you and your children back into school for a stay and play session after the half-term break. We have begun our KS2 transitions this week as different Junior School teachers came over to the Infants to teach each of the Yr2 classes. The teachers who came over to teach the Yr2 classes are not necessarily the teachers whose class they will be in. However, just as we do, all of the teachers in each year group get to know all of the children very well.

As some of you may be aware, Mr Swift, Headteacher at Forefield Junior School, has shared the news that will be retiring at the end of this term. Over the last nine years we have worked together closely, particularly as children transition over to Yr3. I am sure you will join me in wishing Mr Swift a wonderful retirement. More information can be found on Mr Swift's letter, which can be found on the school website.

We are pleased to announce that on **Saturday 27th June** we will be holding a summer fun day on our school field. All money raised will go towards the Give Holly Hope campaign. It will be a fun-filled community day with lots of activities and stalls, so please put 12-4pm in your diary for this day. **On Friday 19th June**, we will be hosting a MUFTI day when all proceeds will also go towards Holly's fund. Children are encouraged to wear red on this day which is Holly's favourite colour. We know childhood cancer can be a difficult topic to discuss with children, so I wanted to reassure parents that on this day in school we will only talk about raising money to help one of our Forefield family pupils who is a bit poorly at the moment.

Thank you once again for all of your support this half term. I hope you have a restful half term and enjoy what looks to be a wonderfully sunny half term break. When we return on Tuesday 2nd June, there will be no Forest School sessions for the first week back in school. Forest School will commence week beginning 8th June 26.

Congratulations to class 9 for being our attendance winners this week with 98.7%.

Mrs Roberts
