

Forefield News

Dear Parents/Carers,

We are incredibly proud of our children this week who have completed their phonic screener checks and our Yr2 children who have started end of KS1 assessments this week. Although they have some more to complete next week, we are incredibly proud of how they have tackled these with 100% effort and resilience. These assessments are delivered with a low stakes approach and children may come home talking about 'quizzes' or 'challenges'.

Next week is a busy week, starting with every single one of our Yr2 children, graduating from Children's University on Monday morning. What an achievement! We know it will be an exciting morning for them all at Edge Hill University when they are rewarded for all of their hard work over the last few years in the Infants.

Next week is our Sports Days. Please note changes to Forest School days to accommodate Sports Days. All of Nursery Rowen group will be accessing Forest School in the morning sessions, therefore all of Rowen group should all come in wearing Forest School kit in the morning. As Nursery Sports Day is in the afternoon, our morning Nursery children should come back to Nursery at 1.15pm. Nursery staff will let them into the gate, and parents will then be invited to wait on the school field for the event.

Our Forefield Sports Day is no ordinary sports day, it is a UK Military School Day, with lots of exciting events and activities. On their allocated sports day, children should come to school wearing their PE kits. Lots of the activities involve water and getting wet. Very wet and not from the rain! Yr1 and Yr2 children will therefore need to bring a small towel and a full change of clothing (including underwear and shoes), which they can change into following Sports Day. Reception and Nursery sessions are afternoons, and children will go home soon after Sports Day concludes, therefore they will not need a change of clothes. However, if you have a long car journey or walk home, you may wish to bring something to put over them/around them to keep them warm, depending on the weather. I would also suggest you come prepared to get involved and get wet yourselves as parent participation is a must. Last year I think some parents had a little bit more fun than the children!

To end our week we will all be wearing red for Holly on Friday 19th June. Children can bring in a donation, which will all go towards Holly's fund.

Congratulations to class 8 for being our attendance winners this week with 100%. This is the second week in a row! Amazing!

Mrs Roberts

PE Days - Summer 2 Term

<u>PE Timetable</u>		<u>Forest School Timetable</u> ROWEN GROUP
Nursery	Wednesday/ Friday	Monday
Class 1	Thursday	Thursday AM
Class 2	Tuesday	Thursday AM
Class 3	Monday	Friday AM
