

Forefield News

Dear Parents/Carers,

What a fantastic week we have had here at Forefield. We began by celebrating the graduation of all 91 Year 2 children from Children's University. The children attended a wonderful ceremony at Edge Hill University, where their hard work, commitment to extra-curricular activities, and enthusiasm for enrichment were recognised and celebrated. It was a truly special occasion for them all.

On Tuesday, we moved straight into our Sports Day events, which were another tremendous success. The sun shone for us this year, and the children took part in a wide range of activities at varying levels of challenge. We are incredibly proud of them all — not only for their effort and teamwork, but also for trying new things, facing their fears, and overcoming them with such determination. Well done, everyone
