Forefield News

Dear Parents and Carers,

As we come to the end of June, it has been another busy and exciting week. Our new Nursery and Reception cohorts continued their transition visits, while KS1 children enjoyed their trips to Crosby Library to learn about the Sefton Summer Reading Challenge. As Reading Challenge Champions for eight years, we are keen to retain our title, so please sign your child up and encourage them to complete the challenge. Year 2 children, please remember you are still part of the Infant School until September—Don't forget to let the library know this when registering.

We ended the week with our FOFIS Summer Fun Day, always a highlight of the year and day for the children to remember. The children enjoyed inflatables, traditional fun-fair games and an ice-cream treat. Thank you to Miss Sim and all FOFIS members for organising another fantastic day.

Our Year 2 production is now in full swing, with final touches being added ahead of next week's performances. If you haven't booked your day via the app, please contact Miss Edwards. Confirmation of your allocated ticket day was sent today.

A heartfelt thank you to everyone who attended our Community Fun Day last Saturday in support of the Give Holly Hope Campaign. It was a wonderful day with a fantastic atmosphere, and a proud moment to see our community come together to enjoy a family event while raising funds for one of our own. I am pleased to share that we raised over £8,500 on the day. Together with MUFTI donations and other fundraising, our total so far stands at over £10,500.

For those who couldn't attend, we will be selling the remaining *Name the Cow* entries, Labubu Stanley cups, Football Bears and raffle tickets next week, along with one final chance to bid on silent auction items. Winners will be drawn on Friday 10th July.

As shared in the CEO's message earlier this week, from September I will be taking up the role of Executive Headteacher across both the Infant & Nursery School and the Junior School. I will remain present in both settings, supported by Mrs Gilroy, newly appointed Deputy Headteacher for the Infants. Please do pop in if you have any questions.

Finally, a huge thank you to our Forest School Club, who have transformed what was a pretty awful and unloved space outside my office into a beautiful garden with plants, flowers and an incredible bug hotel. Thank you to all parents who donated plants, and to Miss Sim, Mrs Farrington and Mrs Tremarco for supporting the children with this project.

Congratulations to Class1, Class 6 and Class 8 for achieving 100% attendance this week. Amazing! Thank you for your continued support.

Mrs Roberts
